Games will be played on the south side of the Ells. middle school on the middle school football field. **An email reminder goes out to you within a week prior to June 8th** and will include the team color your child should look for that first night.

Ellsworth Funsters T-Ball is: **A beginning level program** designed for children ages 4 to Kindergarten age (at least 4 years old or within 1 months of being 4 on June 8th start date - no exceptions) through kindergarten, 1st graders are too old for t-ball and will need to join baseball or softball. T-Ball players hit a ball off a tee with all players batting each inning, all runners will "score" including the last batter. All players will play in the field with no particular set rotation or positions. This **basic beginning** level program is designed to only introduce the game! It is NOT competitive! Children that have completed Kindergarten are encouraged to move up to the Baseball/Softball program.

- **Siblings will be on the same team.** If you wish for your child to be on a team with another friend, please indicate that now here on this registration. **We will do our best to match up friend requests but can NOT guarantee it.** Late registrations will be put on whatever team has space. ** **If possible**, match my child on a team with: _____
